PERSONAL STATEMENT:**IT Professional**

I have professional knowledge in Information Technology and programming. I understand various infrastructures, administrative, clerical, and online systems. Merit great dealing with workmates of any pace and a great team player with practical communication skills and strong work ethics – willing to work in a supportive environment.

WORK EXPERIENCE:

2024 - Present

Maintenance Officer / IT***Fouta Cement Cooperation***

Free Port of Monrovia, Liberia

- FCC is a cement manufacturing industry based in Liberia owned by Liberians. At FCC, I'm responsible for designing and developing a Plant Maintenance System to plan and schedule equipment, keep maintenance records, and manage spare parts inventory.

2019 - 2023:

Software Developer***RoviaGate Technology***15th & 16th Street, Sinkor, Monrovia, Liberia

- I have development experience with websites and software and understand CMS (Content Management System). I have built a series of Websites using HTML5, CSS3, MySQL, Bootstrap, JavaScript, jQuery, PHP, Laravel, AJAX, ReactJS, Flutter, VueJS, and React Native. My area of Specialization for this institution is Software Development (including Web Development, Websites, Mobile Applications, SQL Databases, and many more).

- *Developed and maintained PHP/Laravel applications for*

clients

- *Designed and implemented responsive front-end interfaces using HTML, CSS, and JavaScript.*
- *Utilized React JS, React Native, and Node JS to develop mobile and web applications*
- *Developed database schema and managed data using MYSQL and MongoDB*
- *Utilized Git and version control for collaboration with team members*
- *Followed Agile methodologies to ensure efficient project delivery*
- *Collaborated with team members to ensure timely delivery of projects*
- *Participated in code reviews and contributed to the development of best practices*

○ ***Projects Implemented:***

- ***Find Officer LIS*** —Mobile (React Native)
- ***Find Officer LRA*** — Mobile (React Native)
- ***Liberia Accident Manage.. System*** — Web and ***Mobile*** App (MERN)
